FOREWORD

WE LIVE IN A WORLD OF BOOKS. OUR THOUGHTS AND OUR OPINIONS, OUR DECISIONS, OUR ACTIONS AND OUR ATTITUDES.....ALL ARE INFLUENCED BY BOOKS. AMONG THE TREASURED POSSESSIONS OF OUR CHILDHOOD ARE BOOKS OF NURSERY RHYMES AND FAIRY TALES. THEN FOR A TIME, WE LIVE INTIMATELY WITH TEXT BOOKS. AS WE GROW OLDER, WE COME TO REALIZE THAT ALL THAT MANKIND HAS EVER DONE, THOUGHT, OR GAINED AWAITS US, IN MAGIC PRESERVATION, IN THE PAGES OF BOOKS.

REALIZING THAT THEY ARE TO US A SOURCE OF KNOWLEDGE, PLEASURE AND INSPIRATION, WE HAVE CHOSEN BOOKS AS THE THEME OF THE 1932 PENNANT ANNUAL

DEDICATION

TO THE POETS WHO HAVE SUNG,
TO THE HISTORIANS WHO HAVE UNFOLDED
THE WONDERFUL MARCH OF CIVILIZATION, TO
THE SCIENTISTS WHO HAVE REVEALED THE
SECRETS AND MYSTERIES OF CREATION, TO
THE WRITERS WHO HAVE LED US ON
STRANGE JOURNEYS TO MAGIC LANDS, AND
SET US ADRIFT ON VOYAGES TO
REGIONS OF ROMANCE-----TO ALL THOSE
WHO HAVE LEFT TO US SO RICH A
HERITAGE OF BOOKS, WE DEDICATE

January Prophecy

Carefully we dressed for the marvelous event of dedicating the long dreamed-of suspension bridge connecting New York with France. We were arrayed in gowns from Sykes' exclusive Fifth Avenue Dress Shoppe owned by Mademoiselle Carolyn Sykes, a member of our graduating class of 1932.

The hotel in which we registered was owned and operated by none other than Irving Horwich. It certainly seemed funny to see how many of the old "gang" had migrated to New York and were at his mercy. Alice Pletcher was the head "menu juggler," and Grace Huggins, the charming clerk who handed us over to bellhop Paul Huff.

The bridge, designed by Whitney Slabaugh and erected by his engineers, "Beak" Englehardt and "Gillie" Dotson, was dedicated by Jack Cawley, the Mayor of New York. Other notables present were Mrs. J. A. Cawley, formerly Annamarie Krumm; Harold Wilson, Ambassador to France; and Congress-woman Neva Rogers.

We were amazed at seeing little Don Fettes, now six feet tall, directing the world's most famous band. Strutting up and down and much in evidence was Herbie Lehman, "all dolled up," in a checkered suit, diamond stick pin, a two and one-half carat diamond ring, a derby, and all the trimmings of a man of the world. We afterwards learned that he was established in one of New York's ritzy penthouses and making money like nobody's business. Trotting condescendingly behind him was his obedient valet who turned out to be our old pal, Richard Harman.

We were scarcely able to believe our eyes when we saw Walter A. Boice, the devoted husband of Margaret Blue; Professor Robert Langle and his wife the former Miss Mildred Lee; Reverend Richard Duckwall, still in a state of unmarried bliss; and Miss Kathryn Frank, a bachelor maid.

The parachute jump, a common event on such occasions, ended in a serious fall for Pilot Leonel Schrock, who was ably attended by Dr. Jean Tracy, most famous woman surgeon in New York. He was rushed to the hospital in an ambulance driven by Mildred Reglein and was put under the care of Nurse Lois Meiser.

Much to our surprise, the following day upon boarding a plane for our home in Philadelphia we found among our fellow passengers many of our old E. H. S. cronies: Josephine Berry, Morris Davidson, National Chairman of the Modernistic Party; Miss Betty Compton, now a famous sports writer of the New York Daily Times; and Glenn Moore, manufacturer of the nationally known "Eat-Moore" horseradish. What a talk fest we did have! Even the famous Crosley Chatterer wouldn't have had a chance with Josephine, who was always considered the sedate, quiet little mouse of our class.

Well, well! What a small world this is after all! To think that we should meet up with so many old classmates at one time and what a thrill of pride we got in knowing that the January Class of 1932 had actually broken all records in the production of famous men and women!

January Class History

This broadcast is brought to you from Station E. H. S., through the courtesy of the January Class of 1932. The events now presented are a review of the past four years of activity in this station.

In September, 1928, the broadcasting artists first assembled. In organizing they chose Miss Engleman as chief engineer, Dick Harman as chief broadcasting artist, and announcer, Henry Lyndall. These were all that were deemed necessary in setting up the new station. In November the artists first went on the air and celebrated by a party in the studios.

In February, 1929, the broadcasters assembled again. They decided to make some changes in their organization and also to enlarge it to some extent as fan mail was increasing every day. Miss Engleman was retained as chief engineer; chief broadcasting artist, Gilbert Dotson; his accompanist, Whitney Slabaugh; announcer, Raymond Duthie; mistress of ceremonies, Lera Holman. The adjournment for the summer was celebrated by a party in the studio halls.

By September, 1929, the station was quite a recognized organization among its listeners; the cast being composed of Gilbert Dotson, Jack Cawley, Henry Lyndall, Ray Duthie, and Grace Huggins. Mr. Williams was chosen as chief engineer.

In January, 1930, the station decided to place Miss Wolf in the position of chief engineer. Whitney Slabaugh decided to try his hand as chief broadcasting artist with Alice Pletcher as his accompanist. Lorene Magnuson performed the duties for both announcer and paymaster with Annamarie Krumm presiding as mistress of ceremonies. In March, the broadcasters were refreshed by a steak fry at Simonton Lake, although slightly discomfited by the cold. On May 9, a dance was held in the studios. Special feature dances were enjoyed by all of the guests.

The broadcasters assembled in September after their summer's vacation. Miss Wolf remained in her position of chief engineer, Whitney Slabaugh also remained as chief broadcasting artist, with Richard Harman as his accompanist. Beatrice MacBride was chosen announcer, Alice Pletcher, paymaster, and Grace Huggins, mistress of ceremonies. The broadcasters arranged for a joint party to be held with their sister station, the June Class of 1932.

In February the station artists assembled once more. They decided to retain Miss Wolf and Whitney Slabaugh in their respective positions as they had filled them well. Lois Crawford was chosen announcer, and Richard Harman, paymaster, while Grace Huggins occupied the positions of accompanist and mistress of ceremonies.

In March the broadcasters, assisted by their fellow artists, the June Juniors, presented a very successful program entitled "Daddy Longlegs". In May the broadcasters again presented a very entertaining program in conjunction with their fellow broadcasters which was known as the Junior-Senior Prom at Lake Wawasee. This season then closed and the broadcasters retired to three months of well-earned rest.

In September the broadcasters assembled to organize for their last semester. The staff consisted of Jack Cawley, Richard Nelson, Richard Harman, Irving

Horwich and Grace Huggins. Miss Wolf having performed her duties satisfactorily and faithfully, was retained as chief engineer. In its closing broadcasts the class brought its listeners many featured programs such as Senior Day, January 18.

This is the January '32 Class signing off from Station E. H. S., located on the corner of High and Second Streets in Elkhart, Indiana.

We hope you liked it!

January Class Will

Now that we, the January graduating class of 1932, have reached our goal, we pause a moment to take inventory of our achievements while at Elkhart High School. We have felt for some time that our school days in old E. H. S. were drawing to a close and we were being ushered out into a hard, cruel world to pilot our own planes. Miss Wolf, our capable sponsor, after considering the uncertainty of this frail and transitory life, advised us to make, ordain, publish, and declare this to be our last Will and Testament. Being of sound mind and of disposing disposition, in spite of the many circumstances which might easily have driven us "insane" and soured our disposition, we do will and bequeath the following articles:

ARTICLE I.

ITEM 1.—To Miss Kelly, who has been of so much help to us through our high school career, and who has stood so much from us that she will surely stand for this, our sincere thanks and appreciation for her help in making this Annual a success.

ARTICLE II.

ITEM 1.—To the members of the faculty, we do leave our deepest sympathies and condolences for the loss they shall sustain by our graduation.

ARTICLE III.

ITEM 1.—On the Juniors we bestow our so-called Superiority-Complex.

ITEM 2.—To the Sophomores, we bequeath the privilege of talking the teachers into giving them better grades, providing they deserve them.

ITEM 3.—To the Freshmen, if they continue school until graduation day, we leave our ability to have progressed so far.

ARTICLE IV.

ITEM 1.—Leonel Schrock bequeaths his "permanent wave" to James Oliver (in case James is willing to accept it).

ITEM 2.—Grace Huggins bequeaths her flashing personality to Katherine Robbins.

ITEM 3.—Whitney Slabaugh is leaving his lengthily-acquired ability to argue in class to Paul Walker.

ITEM 4.—Bette Nyce leaves her artistically inclined nature to Maxine Coleman.

ITEM 5.—Jack Cawley wills his popularity to Roger Kendall.

June Class History

Four years ago, one delightful September morning, a group of eager Freshmen boarded the good old Spirit of E. H. S. headed for the port of graduation. For the first part of the trip they flew about aimlessly. Deciding at last to organize, they held a meeting and named: Pilot, Jeannette Rubin; Co-Pilot, Charles Strintz; Mechanic, Margery Trencer; Navigator, Wilbur Miller; Helmsman, Vera Myers. The engineer in charge was Mr. T. H. Miller.

Soon after, the crew decided to invite their friends to a party at Blosser's Park, Goshen, Indiana.

In September, 1929, the company met to call new officers. Pilot, Tony Minelli; Co-Pilot, Doris McDonald; Mechanic, Geraldine Haworth; Navigator, Irma Leatherman; Helmsman, Vera Myers; and Engineer, Mr. W. A. Jones. For the first party, the crew landed at the E. H. S. gymnasium and invited all their friends. Dancing and games furnished the main amusements.

In January, as the Spirit of E. H. S. flew over the halls of examination, her members stopped to try their skill in remembering by-gone facts.

A few weeks later the crew was called in to make some changes in organization, resulting in: Tony Minelli, Doris McDonald, Geraldine Haworth, Irma Leatherman, Don Hallauer.

As Spring drew near, the crew invited their friends to a dance at Spanish Terrace, Christiana Lake.

The next fall a new company was chosen as follows: Pilot, Tony Minelli; Co-Pilot, Vera Myers; Mechanic, Geraldine Haworth; Navigator, Jeannette Rubin; Helmsman, Doris McDonald.

Two after-school dances were held in the gymnasium to raise funds for the class.

In November a party was held with the January class. A mock football game played by the girl members of the class was a feature of the evening. This year joint classes also co-operated in choosing rings and pins.

The crew selected to guide us through our IIB flight were: Tony Minelli, Doris McDonald, Dorothy Holtz, Jeannette Rubin, Vera Myers.

On March 20, as Juniors, the class presented "Daddy Longlegs," a three-act comedy by Jean Webster.

The biggest event of the year was the Junior-Senior Promenade, held at Lake Wawasee on May 16, 1931. At 6:30 a banquet and program was given with dancing starting at 9 o'clock. Music was furnished by Norman Kare and his orchestra of Gary, Indiana. Everyone enjoyed the evening and acclaimed it a complete success.

The opening of the Senior year found the plane with a new crew, as follows: Pilot, Tony Minelli; Co-Pilot, David Hunn; Mechanic, Irma Leatherman; Navigator, Jeannette Rubin; Helmsman, Doris McDonald.

In January the crew gave another party in conjunction with the January class. Games and dancing were enjoyed.

At a special meeting of the Seniors it was decided to wear caps and gowns for graduation exercises.

The Seniors held their banquet near the end of their long trip towards graduation.

The crew stopped and picked up their friends to attend the Promenade given by the Juniors, an affair which was greatly enjoyed.

After four good years of strenuous labor the plane neared the port of graduation. A happy end to a pleasant trip under the guidance of our beloved and faithful engineer, Miss Edith Goings.

June Class Prophecy

Imagine our surprise to receive an invitation to a reception given by the Ambassador to England, Orlin Pollard, and his charming wife, Margery, who was our Margery Treneer of high school days. This request reached us at a very late date, but we managed to secure passage and left for England at 3:00 P. M. in the airship "Spirit of Old Elkhart," whose engineer we knew as Bernard Kretschmer. At the Virgin Islands we stopped long enough to drop in at the "Palms" to greet our hostess, Mayre Wagnère (whom we had known as good old Mary Wagner) and to drink a cup of tea. Soon we were continuing on our tiresome journey. At seven we had dinner in the main dining room of the plane and who should be our host but Harry Haines and our waitress but Virginia Thompson. We had a whole-hearted talk with them about our days at old E. H. S. Then we called a news-girl who kindly supplied us with the paper of our choice, "The Pennant"; yes, the same good old paper, enlarged. Who should turn up to hand us our paper but Bernice Moore!

We settled down to read that worthy edition while our coffee cooled, extracting news items such as this:

WARD CHARLESWORTH WINS HOG-CALLING CONTEST AT BRISTOL. We realize of course that his excellent training was received at Elkhart High School.

ANTHONY MINELLI, MAYOR OF JAMESTOWN, ARRESTED FOR INDECOROUS CONDUCT. It is alleged, we read, that he threw a party at the courthouse into which two cowboys, Ed Raholin and Jake Geiser, rode their horses. Prosecutor Ferdinand Richter selected a jury which included our former classmates, Paul Compton and Irma Leatherman. Mayor Minelli has retained Rudolph Smole to act as attorney. Judge James Work III will preside.

CARLOS JOHNSON AND CHARLIE STRINTZ ARRESTED. It seems, they were soup-slinging in the Spanish View last night.

On the women's page we saw that the column, "Advice to the Lovelorn," was written by Isabelle Curran and Edna Grandstaff.

On the Theatre Guild page under LEADS AWARDED FOR "HANSEL AND GRETEL," we learn that Paul Bessmer and Ova Greiner are the fortunate actors. Also we see that Charles Koontz is the main attraction in the "Foodle Fop Follies of '42," which is enjoying a long season's run in New York City.

We looked up after closing our paper to find the salon deserted. Our coffee had cooled to the point of room temperature: June looks at her watch; it is 12:00 o'clock. We must be near London—and still in evening clothes. In a short time we were hauled to earth. After alighting we bade our friends, Harry and Virginia, goodbye.

Reaching our destination we travelled to the Hotel London via cab, driven by our old wrestler, Thurston "Red" Horn, very dignified in his long-tailed coat and high silk hat, now grappling with the English accent.

In the dress shoppe in connection with the hotel we saw Jeannette Rubin who was completing her trousseau for her marriage to our well-known Shoe Shrinker

Salesman, Edwin Stack. We hope that she can tell the twins apart when the wedding bells peal.

Upon our arrival at the embassy the next evening we were greeted by our aforesaid host and hostess. We had a short talk with the president of the United States, Lester Carboneau, who was attending the reception with his secretary, Mary Montagno. Our speakers for the evening were to be former classmates who had achieved world fame.

The first speaker was Dr. David Herman Henry Hunn with the faithful Doris McDonald Hunn ever at his side. They have become famous through the founding of a home for Orphaned Cats and Dogs.

Later we were given a book review of "Oh, My Operation" by its author, Marjorie Finger.

At the far end of the table we recognized Ruth Hurmence, now Duchess of Honky Tonky, who has recently recovered from injuries sustained when thrown from her horse in the season's steeple chase.

Then we were audience to Professor Jean Vigren who introduced his model, Anne Robertson, now a stunning blonde due to a successful experiment of the professor's, called "Platinum Blonde" dye.

Mr. Richard Thorpe was called upon to tell of his trip over Niagara Falls in the new water glider.

Then to close the dinner we were entertained by the famous magician, William Stewart, who placed his assistant, Wilma Rice, in a box and by "presto chango" caused her to do the vanishing act.

After coffee in the drawing room, as a fitting climax to a most delightful period of reminiscing, everyone drank a toast to good old Elkhart High School before—

Some one prods me in the ribs. 'Tis the teacher in 320. "Wake up! Do you think this is a lounge?" I smile; I've had an experience.

JUNE SWANK.
MARY KIRKBY.

June Class Will

The June Class of '32
Is being liberal to all of you
In giving their possessions dear
To all of them remaining here
In E. H. S., our Alma Mater,
That is truly proud of son and daughter.
We've had no consul with the heirs
But hope they're satisfied with theirs.

The paints and brushes of Margery Trencer
Are for all those artists still left here.

John leaves his job as Student Rep
To Dusty Rhodes who has lotsa pep.

Anne Robertson leaves her dramatic ways
To Isabel Jones for future plays.

Jimmy Adams, if given a choice,
Could do no better than Bessmer's voice.

Jeannette Rubin gives her flowing tresses
To all young things in dire distresses.

Frankie Ammons to Frankie Miller
Gives his ways as a lady-killer.

The fame of the "It" of Phyllis Rasp
Is well within Catherine Palmer's grasp.

Connie Emery's poetic inclinations
Are for Dorothy Dunivan in giving orations.

To Lowell Taylor in the president's chair
We bestow Minelli's presidential air.

Doris and Davie do will and bequeath
Their High School romance to those beneath.

The sweet loveliness of Wilma Rice
Is left to petite Mary Kegerreis.

Glenn Olsen's knowledge that gals like 'em blonde
Goes to Bill LeFevre of whom they are fond.

Al Verta Myers leaves a disposition sunny
To Virginia Hatfield, already a honey.

Francisco's playfulness and Sparklin's too,
Elmer Laggerman, is left to you.

Gerry Haworth wills her raven locks
To Rosemary and Kathryn, the beautiful Bachs.

Carlie Johnson gives his "Oakie" grin
To anybody wanting it, may the best man win!

Beaver, man of gridiron fame,
Adds his honors to Bob Culp's name.

The Stack twins will their friendly ways
To Ross and George Borneman for Senior days.

Irma Leatherman wills "Tuffa da guy"
To Harrison Church, may the phrase never die!

Dorothy Holtz gives her typewriting "way"
Of fifty-a-minute, to Harriet May.

Harry Haines wills his wealth of red hair
To George Newman, a platinum there.

Steely and Burke leave their friendship rare
To Colbert and Keene, a peach of a pair.

Seniors blessed with virtues fair
Always have some fame to spare
So, willingly, we give our share.
The June Class of '32
Hopes that every one of you
Receives these gifts with open heart
As, leaving you, from them we part.

MARY STEELY.
BUELAH BURKE.

Graduating Seniors

The Elkhart Blue Avalanche had a very successful season in the fall of 1931. Elkhart won eight games, tied one, and lost one. The Avalanche was second in the Conference, losing to South Bend Central in the championship game.

Many of the first team were seniors, and those who were lost by graduation left places that will be hard to fill. Tony Minelli, fullback, and Whit Slabaugh, guard, were co-captains of the team and they were coaches in spring practice just concluded. Moore, McFall, and Dotson were other seniors lost off the line. In the back-field Hunn, the quarter-back, and Johnson, a half-back, were lost from the first eleven. There were many seniors who played on the other teams and those who won letters are: Myers, Trautman, Horn, Weiler, H. Slabaugh, Linder, Nicholson, Olsen, Richter.

This spring a large squad worked out under Coach Moss, Slabaugh, and Minelli. The practices were held to acquaint the players with the new rules, of which there were a great many made during the winter, and to get the boys in condition after a lazy winter. Another reason for the intensive practice was that a pre-season game was being arranged for next fall. A game was held at the end of the practice with Rowe shining the most brilliantly of the stars from 1931. The spring squad looked good and will be winning a number of games next fall.

SOUTH BEND BEATEN 15-14 BY BLAZERS

SOUTH BEND CENTRAL

Elkhart annexed a fast hard earned thriller over the Central Bears which partly avenged the football trouncing the Bears handed the Blue. The play was fast and hard fought throughout the game and the Blazers displayed a fast game under the basket with Patanelli the main factor. Elkhart led 9-8 at the half and 10-9 at the end of the 3rd quarter. Central staged a rally which was not quite sufficient to make up the one point deficit in the 4th quarter. The final score: Elkhart 15, Central 14.

Myers made 2 points on Elkhart's foul, but this was tied by Wash on a side shot. Patanelli gave the Blazers the lead again on another free throw from Hackman's foul but Hackman regained it by making two points on Spears' foul. Spears then made it 4 all when he connected on Burton's foul, but Hackman tipped one in. Spears made another free throw and France made the score 5-8 as the quarter ended.

France made another goal and then a free throw off Myers' foul. Ammons connected on a long shot and then Rinaldi came in for Wischmeier's quarter, along with Hunn, who made a free throw and a long for the half with the win favor of Ft. Wayne.

Rinaldi and each made long shots to Elkhart a 12-11 lead, but this was regained, and then Hackman, then made 15.

Hunn's long shot rally by making a long one but this was tied by Payne's free throw off Patanelli's foul. Patanelli then sewed up the game on a fast set up shot and the rest of the quarter was spent in missing free throws. One technical foul was called on the crowd for booing, the only one since the first game. Final score: Elkhart 18, Central 16.

1932 Track

The 1932 track squad has made a fine record up to date. The Blue and White speedsters have won three dual meets and one triangular meet in outdoor competition. Also the "Bluestreaks" placed second to Froebel team at the Conference meet.

The first test for the trackmen was the indoor meet held at Notre Dame. At this meet Elkhart won fifth place, which isn't so bad considering the fact that Elkhart had only about one week's practice before the meet. At this meet Dave Hunn won the pole vault and was taken to the State indoor meet a week later. Here Dave covered himself, and Elkhart High with glory, by breaking the state indoor record. Hunn's vault of 12 feet 5 1/2 inches was almost a foot higher than the previous mark.

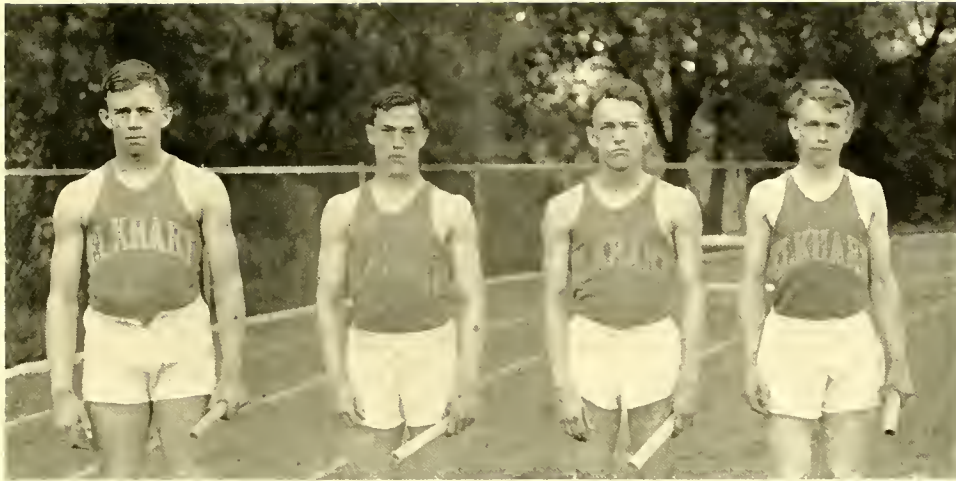

The same day of State indoor meet the "Bluestreaks" held a dual meet with the Mishawaka Maroons. The meet was very interesting, with Mishawaka coming much closer than it had in former years.

The next meet was with North Side of Fort Wayne. This meet proved that Elkhart had a well-balanced squad, with power in all events. Jack Helfrick was the best low hurdle man and also led the dash men. Barney Phillips was the first of four quarter-milers. Dotson proved to be a consistent winner in the half-mile event but he was always closely followed by Myers. In the mile run Rolland Burke usually broke the tape with Nellist and Adams close behind. Wayne Trautman won a great deal in the high sticks. In the field Hunn, Cummins, Johnson, and Patanelli were first in their respective fields, the Pole Vault, the High Jump, the Broad Jump, and the Shot Put.

The next meet was on with South Bend Central in which the Blue "Thinly Clads" won a runaway meet. The fourth meet of the year was a triangular meet with Goshen and LaPorte. Elkhart, who was showing more and more power, took the meet easily, with LaPorte second and Goshen third.

In the Conference meet Elkhart ran a strong second to the strong Froebel team. Elkhart won 45 points and the Gary school 75 1/2. Weiler, Dotson, Hunn, and the mile-relay team won firsts. Second places went to Helfrick, Myers, Patanelli, Phillips, and Burke. The half-mile relay team and Trautman won fourth places and Johnson won fifth place.

Elkhart won the Sectional track meet and qualified a large number of men for the State meet.

MISHAWAKA MEET

Elkhart showed good form in winning the opening track and field meet. Mishawaka came out second best in a score of 62 to 37. Parmater in addition to winning the 100 and 220-yard dashes won first place in the shot put with a heave of $45\frac{3}{4}$ feet. Dotson, Riblet, Clover and Beaver were other speedsters to win first places.

SOUTH BEND CENTRAL MEET

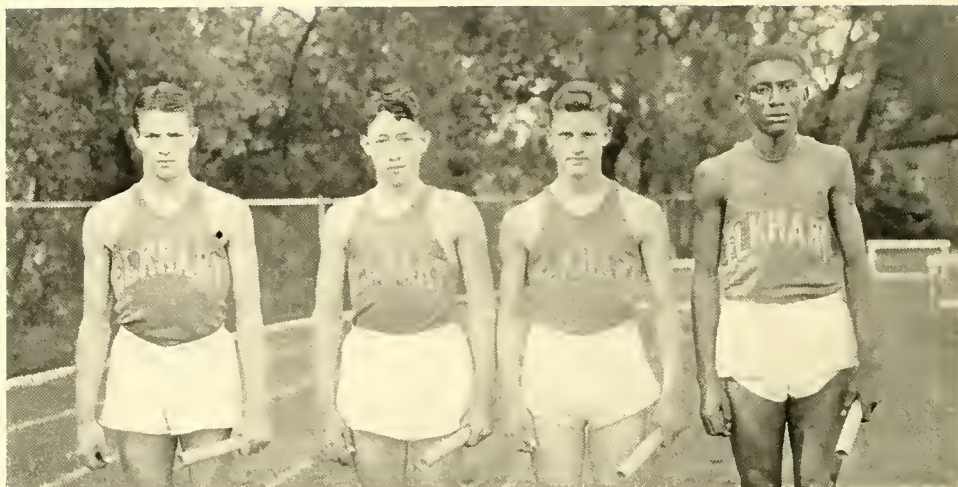

The Elkhart "Bluestreaks," again headed by "Frankie" Parmater, won the second meet of the year. This was a dual meet with the Bears of South Bend Central with Elkhart winning 80 $\frac{1}{3}$ to 28 $\frac{1}{3}$. David Hunn won the pole vault with a vault of 10 feet 9 inches. Dotson won a first and a second, and Riblet won three seconds to gain honors.

FORT WAYNE MEET

The meet with North Side of Fort Wayne was quite a bit closer and more interesting than the previous meets. The final score was 52 to 47. Elkhart made a grand slam in the mile with Nellist, Adams, Burke finishing first, second, and third. Hunn broke the field record in the pole vault, soaring 11 feet 9 inches. The one-half mile relay team won their race.

TRIANGULAR MEET

The locals won a triangular meet from LaPorte and Goshen with nine first places. Elkhart had 73 points, Goshen 27, and LaPorte 17. Hunn was high point man for the meet with 13 points and was followed by Parmater with firsts in the 100 and 220-yard dashes. The one-half mile relay team ran a great race, winning in 1:34.8.

CONFERENCE MEET

For the conference meet the Elkhart tracksters journeyed to Gleason Field at Gary to finish third with 39 points. Two Gary schools, Froebel and Horace Mann, captured first and second places. Parmater with first in the 100 and 220-yard dashes was the only Elkhart man to win a first place. Dotson's and Hunn's best were not enough and they placed second. Dotson in the 440-yard and 880-yard runs and Dave in the pole vault. The half-mile relay team came through with a first in the style they had been showing all year.

SECTIONAL MEET

In the sectional meet held at Elkhart the "Bluestreaks" streaked their way through the meet defeating all in their paths. In winning the meet from ten other surrounding schools Elkhart amassed 67 points. The meet was one of record-breaking. Parmater made new records in both the 220 and 440-yard runs and Hugh Miller broke into the record-breaking column in winning the high hurdles in 17 seconds flat. Miller also took a first in the high jump.

STATE MEET

Elkhart's thirteen "Thinly Clads" won enough points at the state meet to put Elkhart in fourth place. Froebel, of course, won the meet; Kokomo was second, and Technical of Indianapolis third. The "crack" half-mile relay team, composed of Parmater, Riblet, Sawyer, and Helfrick, captured first place. They had accomplished this feat every meet during the year. Gilbert Dotson took first in his heat of the final half-mile event, winning with a time of 2 minutes, 2 and eight-tenths seconds. Elkhart's total was 17½ points.

KALAMAZOO MEET

In a post season meet held with Central of Kalamazoo, Michigan, Elkhart took eleven out of twelve first places. The final score was 86 to 23. It was an interesting comparison as both schools were fourth in their respective state meets. The Blue trackmen made grand slams in four events and Parmater added four firsts to his ever increasing point total.

Frank Parmater ended his colorful three-year career in track by breaking all records for individual scoring. He scored 111 $\frac{3}{4}$ points to lead the track men for the second straight year. Most of his points were won in the 100 and 220 yard dashes and the 440 yard run but he also won points in the shot put. This was Frank's last year and his place will be hard to fill.

David Hunn, a junior, collected a total of 49 points in gaining honors in the field events. Dave was strictly a field man, winning all his points in the pole vault, high jump, and shot put. The pole vault was Hunn's best feat and he won the event most of the year. Hunn can be counted on for many points in the 1932 season.

Athletics In Elkhart High School

The Athletic Department of Elkhart High School has been playing an important part in the lives of the students. The primary purpose of this division of the high school is to promote health, but the good influences fostered by contact with the coaches, team-play, and being kept out of evil activities are showing themselves to a great extent.

Elkhart is proud of her interscholastic record but is just as proud of the growth of Intramural games. The first branch is needed for it is the stimulus of all athletics. The intramural sports make it possible for a great number of students to enjoy the benefits of clean living, quick thinking, and other features of athletics. The girls, who until lately have had a very small part, are getting a bigger chance.

Elkhart's standing in Athletics is regarded very highly. The football team started the year with a record of eight victories, one tie, and one loss. This we consider a very fine record.

Coach Longfellow's basketeers finished a very successful season with fourteen victories out of nineteen games played. In the Sectional Elkhart lost out to Goshen in the second round. Only four members of the squad were seniors and there is a good nucleus for future teams.

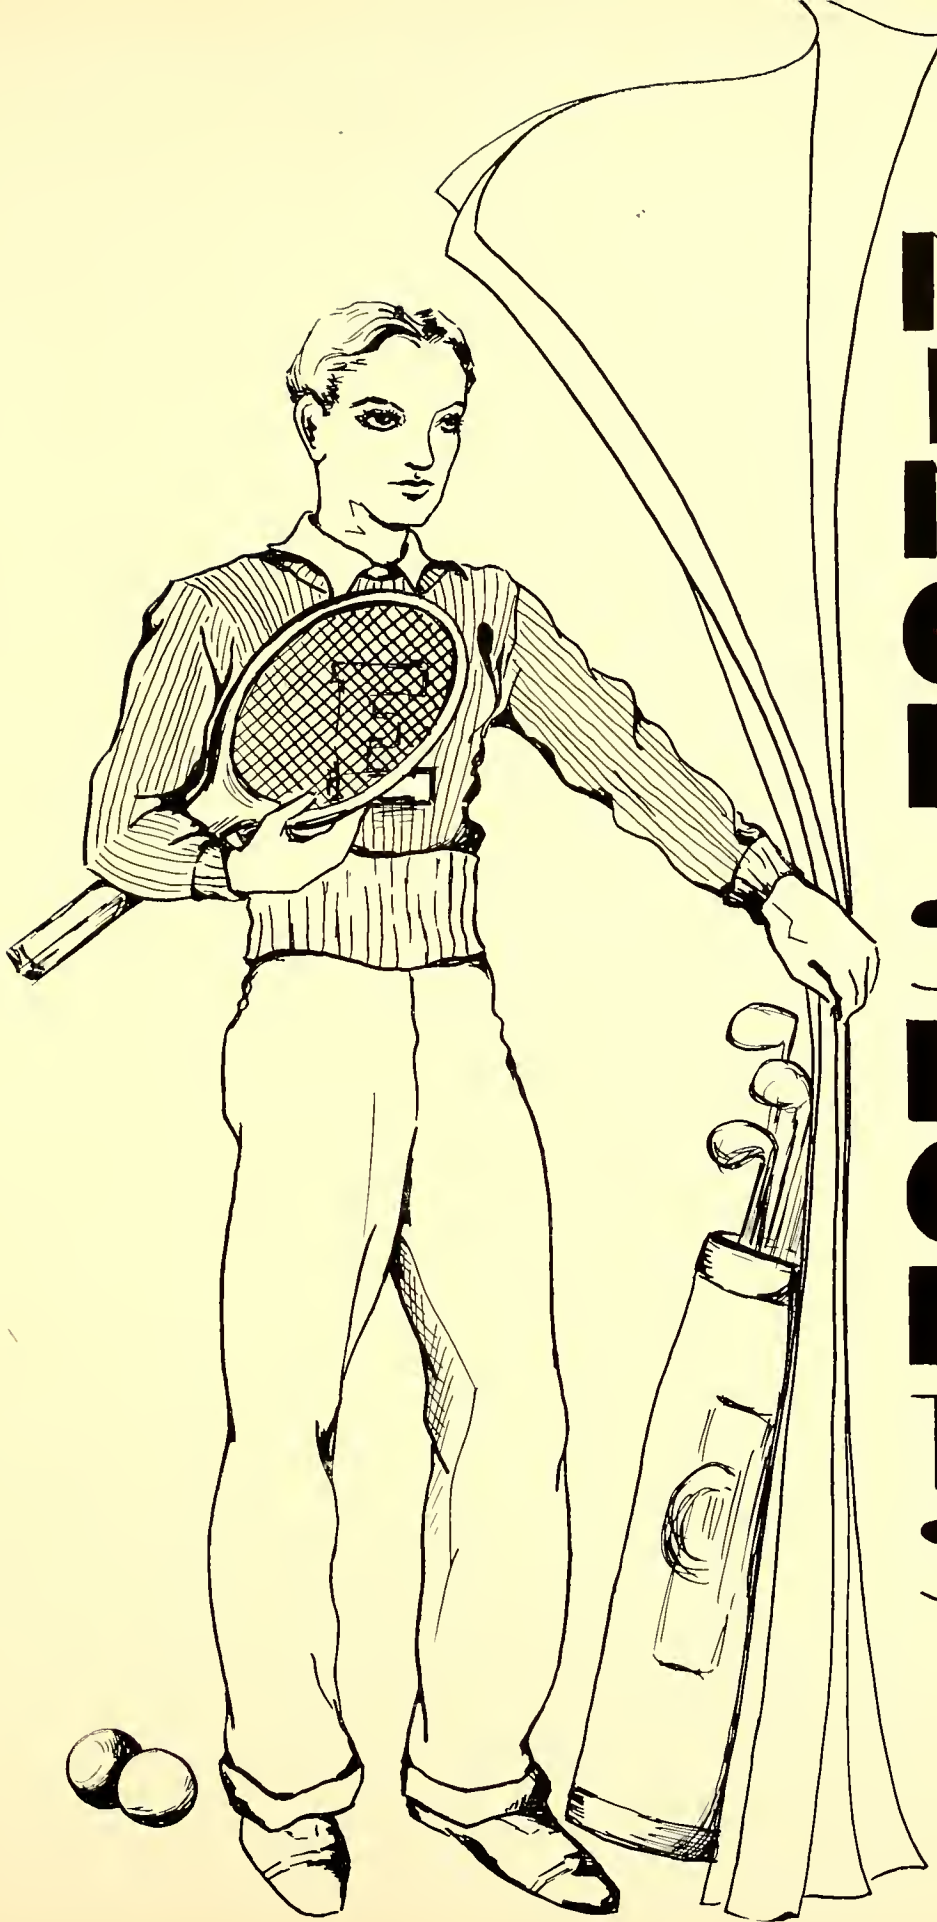

The wrestling team, with Bill Moss as their leader, downed all their opponents except one. The Blue grapplers won five dual meets and were fourth in the State meet.

The Tennis and Golf teams, as the standard bearers of the minor sports, had very successful seasons. The Tennis team, under the coaching of Miss Wolf, defeated all opponents. The golfers, under the coaching of F. F. Sanders, won over half of their matches.

The Track squad with C. C. Boone as its leader was highly successful. The Blue Streaks were third best in the Conference and finished fourth at the State meet. They won the Sectional and qualified thirteen men for the finals at Indianapolis.

We, the seniors, wish to express our gratitude for the fine services of C. C. Boone, head coach and coach of football and track. We also want to express our appreciation of the work of Catherine Wolf, John Longfellow, William Moss, and Frank Sanders.

Wrestling 1932

By winning five matches and losing but one the Elkhart High School Wrestling team finished a splendid season under William Moss.

Led by George Linder, who went undefeated through the entire year, the Blue team swept through the season being defeated only by Crane Tech of Chicago.

In the Conference meet held at Elkhart, the Blue grapplers came through with third place with Thorpe, Linder and Sweitzer crowned as Conference champions.

At Bloomington in the State meet, Elkhart placed fourth with Linder winning an individual state championship in the 135 pound class. Thorpe won third place in the 100 pound class, and Troyer also won a third in the 108 pound division.

Fourth place in State Meet.

GEORGE LINDER brought fame to himself and Elkhart High School by winning the 135 pound division in the State match. George had been undefeated and his other major victory was his Conference win. He is a senior and it will be hard to find a man to fill the place that he left.

RICHARD THORPE was another Elkhart grappler to bring fame to his Alma Mater. Dick won in the 100 pound division of the Conference match. It was his second year to win the Conference title. Richard is a senior and the Blue and White will miss him.

The third grappler wearing the Blue and White to win a Conference championship was RICHARD SWEITZER. Dick won the heavyweight title. He showed a great deal of improvement over the year before, and being only a junior will have a great deal ahead of him. We wish Dick success in his senior year.

Tennis 1931

Under the fine coaching of Miss Catherine Wolf, the 1931 tennis team finished a splendid season. In winning all of their matches, the team allowed their opponents only two points throughout the season.

At the N. I. H. S. C. meet at Gary the Blue netmen came through to annex the Conference championship. Austin Speas won the singles championship and Jenks and Strintz won the doubles title. There were many tough matches to be played before the victory was achieved.

Five members of the N. I. H. S. C. championship squad will be available for next year.

Girls' Athletics

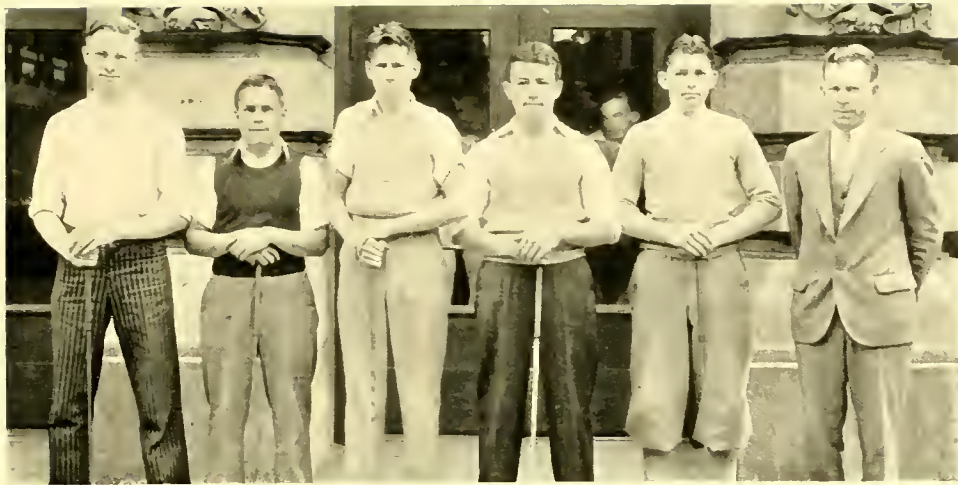

The interest in girls' athletics under Miss Catherine Wolf was very keen this year. There will be no picture, however, as there was no organized representative school team.

Last fall the tennis team, composed of Lois Crawford, Betty Compton, Margery Treneer and Wilma Podawiltz, had no games, but kept up its practice in the hopes of getting in shape for a schedule this spring. For volley-ball quite a number of girls turned out, and they were divided into four teams for a tournament. The captains of the teams were: Mary Vigen, Doris Paige, Luella Wobler and Opal Doty. The winning team of the tournament was captained by Doris Paige.

Much interest was evident in basketball this year. There were a great number of girls out for the whole season and they were divided into eight teams for a basketball tourney. The captains were: Dorothy Dunivan, Virginia Briggs, Betty Bidleman, Wilma Podawiltz, Margaret Lynch, Vera Myers, Verna Olsen and Miriam Brusman. At the end of the season, the teams of Wilma Podawiltz and Virginia Briggs were tied for first place, and a game was played to decide the championship. The team led by Virginia Briggs won the playoff.

The games were all very close and there were several overtime games. The teams were evenly divided as to the ability of the players, therefore the teams were on an equal basis. Everyone had an opportunity to play, as the rule is that all girls must play at least one quarter on their team. Near the end of the season, interclass teams were organized for an exciting tournament. The senior class team won.

All the way through the girls showed great interest and gave splendid support to Miss Wolf's excellent coaching.

GOLF SQUAD

Kraft, Carlo, Fick, Rinaldi, Cawley, Coach Sanders

Golf 1931

As this was the first year that the golf team had a regular coach, the 1931 golf squad finished a successful season. Under the direction of Coach F. F. Sanders the squad won five out of nine matches played.

The team also placed second in the Conference, with Captain Elton Kraft winning second place in the Conference meet.

YOUNG PEOPLE AND THE BANK

All along life's journey, financial matters loom ahead at every turn. Every business transaction is also a financial transaction and as banks are financial institutions, business and the banks are inseparable.

It is extremely important that young people learn, early in life, the part that banks play in the daily affairs of life and business.

We are always glad to have earnest and ambitious young folk ask us questions regarding the functions of a bank, that we may explain to them the importance of a good banking connection and the many ways in which we can be of assistance to them in their struggle for success.

We suggest a savings account as the first step toward financial independence. Your initial deposit may be as little as one dollar. The St. Joe has a pass book waiting for you.

"Good Bye" to

COLDS HEADACHES SOUR STOMACH

Here's the New Way—

Just drop an ALKA-SELTZER Tablet into a glass of water. Watch it bubble up as it dissolves—*then drink it*. Do this, and you will discover the best and most effective way to say "Good-bye" to COLDS, HEADACHES and SOUR STOMACH. If your trouble is severe, take two ALKA-SELTZER Tablets the first

time. They are harmless. They make a pleasing, effervescent drink. Take a drink of ALKA-SELTZER as often as needed, and in a mighty short time you will have your Cold, Headache or Digestive troubles "on the run."

It's no secret why ALKA-SELTZER gives such prompt, effective relief for everyday ailments. Everyone knows that EXCESS ACIDITY is the real cause of common aches and pains. Some people call it "acidosis." When colds and sore throat attack—when you suffer with headaches, neuralgia, and rheumatism—when you are tormented with sour stomach, acid indigestion, heartburn, gas on the stomach—it's a pretty sure sign you are suffering from TOO MUCH ACID in your system.

Get rid of that excess acid condition and quickly your troubles vanish. That's exactly what ALKA-SELTZER does for you.

When you drop an ALKA-SELTZER Tablet into a glass of water, it makes a perfect anti-acid drink—a bubbling glass full of the vital alkaline salts your body needs to correct excess acid. But that's not all. It gives double relief. **FIRST**—it stops the pain and discomfort, And **SECOND**—it neutralizes the excess acid and removes the cause of your trouble. Only ALKA-SELTZER gives you this double relief. Don't fail to try it. Keep a package in your home. Use it frequently to prevent everyday aches and pains, as well as relieve them.

Mr. Huggins: "Look here, Grace, I don't mind your sitting up late with that young man of yours, but I do object to him walking off with my morning papers!"

The gal I hate
Is Marie McCall.
She uses cosmetics
In the study hall.

"Did you call Mary up this morning?"

"Yes, but she wasn't down."

"Why didn't you call her down?"

"Because she wasn't up."

"Then call her up now and call her down for not being down when you called her up."

Onlooker: "You don't make very good music with that instrument."

Wayne Stutsman: "No, I don't. But I drown out a lot of bad music."

POME

I love the little birdies,
I love to hear them chirp,
But what I love the best of all,
Is buckwheat cakes, and sirp.

Trautman: "How's your potato bugs this year?"

Freed: "Oh, they're getting along fine."

Dentist's Theme Song—Be True to Your Teeth or They Will be False to You.

Came the dawn—three (III) prisoners were lined up before a cross-eyed judge.

Judge (to first prisoner)—"What's your name?"

Second Prisoner—"Oscar Zilch."

Judge (to prisoner No. 2)—"I was not talking to you."

Third Prisoner—"I didn't say anything."

LITTLE HOOD RIDING RED

(Ed Note: This Ancient Roman
bedtime story was found on a piece of
broken pottery, excavated near Umph
City, Iohya. The pieces were pieced to-
gether piece by piece by peaceful piece
workers working at one dollar a piece.)
Little Hood Riding Red set out to take
a box of Grape Nuts (gravel cereal) to
grandma who lived across the golf

links. On the way she met a big wuff.
He threatened to eat op all de oatmeal
but she kicked for a first down and
sprinted across the goal for a torch-
dance. All the ushers in the Subway
blew their noses and the meeting was
adjourned by two-thirds vote of Con-
gress.

Moral: Never wear a red beret while
riding in an Austin.

And the stately ships go on,
To their haven under the hill,
But I've answered the problem, does
 $x=y?$
And now for an Aspirin pill.

Break, break, break.
Let X represent the sea,
And if Y would equal the number of
ships,
Give the number of sailors to me.

"He done me wrong," wailed the
Algebra problem.

The last of the proofing, pasting, and checking is done. As, in unison, we heave a deep sigh of relief, we realize that, without the patience of Mr. George Abel of the Service Press, the aid of Mr. Traxler of the Fort Wayne Typesetting Company, the interest of Miss Cole and the Art Department and the co-operation of the Pontiac Engraving Company, this Annual would never have been completed. To them, and to all others who had any share in the work on this book, we offer our sincere thanks.
